

Lift & Tilt Touch-Screen Table

The Volanti lift & tilt touch-screen table features a “no bezel” clear glass touch-screen display with a 55” or 65” active area mounted on a robust mobile cart that is electrically adjustable for optimal height and angle.

- Style
- Ergonomics
- Functionality

The accurate clear glass multi-touch technology gives the best of both worlds, no raised bezel and no filament wires - just a bright clear image.

55” and 65” Ultra-HD models feature a bright 4K display with 60Hz input via HDMI or Displayport for excellent responsiveness.

Electric lift & tilt with independent adjustment for height and angle.

Smooth running, locking wheels allow for easy relocation. An optional road-case makes this a truly transportable solution.

Accessories include a retractable power cable extension reel, keyboard tray, wireless remote for the height & tilt adjust.

USA design & fabrication.
