VOLANTI DISPLAYS

Quick Guide - Plan Review Desk Side Mount

Installation:

- Clamp parts include:
  - » Top section
  - » Clamp
  - » 2 screws
  - » Hex wrench
- Place the top and bottom parts of the clamp assembly in position on the edge of the table.
- Use the screws and hex wrench supplied to fix the top and bottom parts together.
- Tighten the clamp.
- Accessories such as the side monitor or laptop tray can now be added.
